PAUL A. ENGELMAYER, District Judge:

The Court has been notified by Judge Moses that a settlement conference was held but did not result in a settlement. The Court directs that discovery resume forthwith, including *Monell* discovery. The Court's expectation is that discovery can be completed within approximately the amount of time remaining for discovery as of the time discovery was suspended to facilitate settlement discussions. So as to assure that a defined schedule exists governing fact and expert discovery, the Court directs counsel to confer promptly and to submit, by Thursday, August 2, 2018, a revised case management plan.

SO ORDERED.

Paul A. Engelmayer
United States District Judge
